## COMMUNITY AND VOLUNTARY SECTOR PRE-BUDGET BRIEFING - HOSTED BY IMPACT TRADE UNION

---

### DIARY REMINDER

You are invited to attend this special pre-Budget briefing hosted by IMPACT trade union.

Focusing on the community and voluntary sector, IMPACT will present the findings and recommendations from its the 'Caring- At What Cost?' research. The briefing will also include workplace testimonials from IMPACT members working in sector, including the Dublin Rape Crisis Centre, Galway Simon Community, youth work and homeless services, outlining the challenges they face working in the sector.

“Pay restoration in public and private sector is already happening, and with a small number of employers in the community and voluntary sector restoring pay, it’s essential that the sector is adequately funded in order to ensure workers in the sector are not unfairly left behind” - Joe O'Connor, organiser, IMPACT.

The briefing will also be addressed by IMPACT Health & Welfare national secretary Eamonn Donnelly and conclude with a questions and answers session.
